Sandwich Platters Assortments-

You tell us how many people and we create the assortment out of the following sandwiches:

(Hot sandwiches are not available for catering platters.)

The Hole-in-ess: Enjoy layers of your choice of **deli meat** and **cream cheese** on a toasted **bagel**. The only thing missing is the middle.

The C.S. Lewis: Be surprised by this joyful combo of **turkey** and **Monterey Jack** cheese topped with honey mustard and sprouts on a **croissant**. There is nothing “mere” about it.

The Calvin: A five-point inspired salad sandwich of **chicken**, **cheddar**, **almonds**, **celery**, and **garlic** mixed with mayo and piled on a **croissant** with slices of tomato.

The Temple: Constructed with layers of **turkey**, **roast beef**, and **cheddar**, then decorated with **lettuce**, **tomatoes**, and a spicy southwestern ranch. All of this on a whole wheat wrap.

The Garden of Eden: A **spinach wrap** filled with garden **veggies** and **Monterey Jack** cheese with honey mustard. An apple slice, plus and one additional side choice. Very tempting.
